PRESS BOX

Due to lack of space, accommodations in the press box will be furnished only to representatives of Pittsburgh papers, and from metropolitan papers filing for Sunday editions, press services, Pittsburgh radio and TV sports commentators, and scouts from schools playing either Pitt or its opponent. Requests should be made in advance, indicating whether or not Western Union services will be needed during or after the game. Those coming to the press box, to avoid climbing hills, should have cabs take them to Gate #23. This is located behind Pennsylvania Hall of the School of Medicine.

PRESS COMPLIMENTARIES

The University extends the privileges of press complimentary tickets to all daily publications in the area. These will be limited to two to each paper. Applications must be received by the Monday preceding the game and the seats will be located in the best available section at the time. A check or money order made out to the University of Pittsburgh for $1.00 per ticket must accompany all requests.

It will be possible to purchase additional seats adjoining press complimentaries by enclosing a check or money order made out to the University of Pittsburgh, and note it on your request. The prices of these tickets are $4.00 for all games.

PHOTOGRAPHER'S PASSES

Sideline passes for photographers will be issued only to Pittsburgh papers and news services, and to the daily papers normally covering the opposing team. Others will be issued to the student publications of the two schools, but they will be limited by the number issued to those in the first mentioned category.

Photographers may work in front of the bench when the occasion demands, if they keep low, but

cutline writers must stay behind the line and obey instructions of the officer detailed to the area, who will lift the credentials of any breaking this rule.

Space in the photographers stand is reserved for newspapers in the same manner as field passes, and also for newsreel and game movie cameramen. This space must be requested in advance to insure adequate space.

Field photographers should enter Gate #3. Photographers covering from the stand should use Gate #9.

THE UNIVERSITY OF PITTSBURGH

The University of Pittsburgh had its beginning in a three-room log house in what is now downtown Pittsburgh two years before the Constitution of the United States was adopted. At the time of its founding it was known as Pittsburgh Academy.

The University is the oldest chartered North American institution of higher learning west of the Allegheny Mountains and north of the Ohio River.

In February of 1819 a second charter was issued, this time under the name of the Western University of Pennsylvania. By this charter the institution was given power to grant baccalaureate degrees. In 1908, with permission of the courts, the name of the school was changed to the University of Pittsburgh.

A legislative act in 1865 made the Allegheny Observatory a part of the University, and there Samuel P. Langley, distinguished for solar research and for early experiments in the science of aeronautics, James E. Keeler, discoverer of the moons of Saturn, and other prominent astrophysicists and astronomers have conducted research. The contributions of Langley, Keeler and others have made the Allegheny Observatory known all over the world.

Since 1892 several schools have been added to the older College and Engineering School, granting undergraduate and graduate degrees. In 1892 the School of Medicine was established; in 1895, the School of Law and School of Mines; in 1896, the Schools of Dentistry and Pharmacy; in 1910, the School of Economics, since 1923 known as the School of Business Administration; also in 1910, the School of Education; in 1912, the Graduate School; in 1907, the Summer Session and Evening School; in 1913, the Extension Division and Mellon Institute for research; in 1922, the School of Retailing and the Bureau of Retail Research; in 1926, the University Medical Center; in 1931, the Bureau of Business Research; also in 1931, Falk Elementary School, a progressive school for elementary educa-

tion; in 1938, the School of Social Sciences; in 1939, the School of Nursing; in 1944, Research in the Natural Sciences; and in 1948, the Graduate School of Public Health.

Construction on the world-famous Cathedral of Learning was begun in 1926. Architecturally the Cathedral is a modern adaptation of the Gothic tower. It contains nearly 100 classrooms and nearly 100 faculty and administrative offices, and more than 100 laboratories which are teaching and research units. It stands 42 stories and 535 feet high.

A feature of the Cathedral is its Nationality Rooms, planned and financed by the various major nationality groups which settled around the junction of the Monongahela, Allegheny and Ohio Rivers and built the mighty industrial city of Pittsburgh. Nationalities represented in the Cathedral are Swedish, Scottish, German, Russian, Chinese, Czechoslovakian, French, Roumanian, Hungarian, Italian, Lithuanian, Norwegian, Polish, Greek, Syria-Lebanon, Yugoslavian, Irish and English.

Construction of the Cathedral was begun under Chancellor John Gabbert Bowman, who held office from 1921 to 1945. Some of the groundwork which made possible the Cathedral and other advances during the Bowman administration must be attributed to his forward-looking predecessor, Dr. Samuel B. McCormick, who served as chancellor from 1904 to 1921.

Great strides were made during the administration of Chancellor Bowman, and spectacular progress under R. H. Fitzgerald who became Chancellor in 1945.

Upon the retirement of Dr. Fitzgerald in 1955, Dr. Edward H. Litchfield, Dean of the Graduate School of Business and Public Administration at Cornell University, was named to succeed him. The University has now embarked on a new development program to cost over $100,000,000 during the next 10 years.

The modern University of Pittsburgh Memorial Field House, built at a cost of $1,300,000, was dedicated in 1951.

In 1953, the Medical Center Nurses' Residence was completed at a cost to the University of $4,500,000.

Recently completed is an engineering building ($1,500,000); George Hubbard Clapp Hall for science research and teaching ($2,500,000); a building to house the Schools of the Health Profession ($15,000,000); and the Graduate School of Public Health, costing $5,000,000.

The great progress made toward the establishment of the great Medical Center at the University has been highlighted by the development by Dr. Jonas Salk of the Pitt Medical School of the vaccine that is expected to eliminate polio.

In addition the University has acquired the Schenley Park Hotel and Apartments which has been developed into a comprehensive student living and activities center.

Other new buildings which should be completed in the near future are the Library ($10,000,000), the Natural Science Building ($2,400,000), a new dormitory ($13,500,000) and a pool ($1,600,000) which should be the best in the country. This pool will be ready for competition this winter.

PREVIEW

Enemy coaches are looking at Pitt with suspicious eyes this year, unmasking the same scorn they would have for weighted dice in a craps game. They exclaim, "Pitt is loaded!"

They're weighted alright, but whether they're loaded, or whether it was insincere flattery, or chicanery on the part of the opponents' scouts will be borne out on the gridiron.

"We have more experience than last year," says Coach John Michelosen. "We should be better this year." From Michelosen, a man who thinks Mona Lisa is in uproarious laughter, this is optimism.

Pitt lost 13 lettermen from last year's team that faltered along its schedule, which resembled a mine-field, with the tell-tale sway of a punch-drunk. Among them were both starting guards, two regular ends, a center, and the last of the C-Boys, Fred Cox and Bob Clemens.

The Panthers ended the 1961 season with a disastrous 47-26 loss to their favorite neighbor, Penn State, which put the last nail in a 3-7 coffin. Twenty-four lettermen will return to try to revitalize the team against one of the toughest schedules in the country, which doesn't include a single Ivy League opponent.

Coach Michelosen's biggest problems will be finding guard replacements who can block, developing pass-catching ends who caught just four TD passes last year, a reserve right halfback, and a tighter defense which yielded 209 points, the most in ten years. In 1960, the defense yielded 77 points.

In the line, Michelosen will have to replace ends Steve Jastrzembski and Woody Haser, a crashing end called "the equal of Ditka in that area," center Andy Kuzneski, guards Larry Vignali, an All-East choice for three years, and Regis Coustillac. The latter two worked together on the first-team since their sophomore days, and their experience will be missed.

The biggest loss in the backfield is halfback Fred Cox, who kicked six field goals last year, some of major proportions 45, 47, and 52 yards. Bob Clemens was injured most of last year and this loss hurt the Panthers. John Yaccino, who was the outstanding back against Syracuse, has also departed.

Fourteen sophomores earned letters last year. Pitt will diversify its offense this year, throwing more passes from the halfback slot with three former quarterbacks, Ed Clark, Bob Roeder, now left halfbacks, and right half Paul Martha performing this chore. Newcomer quarterback Fred Mazurek, sought by 80 schools, may throw from the "short-kick" formation.

Michelosen's overall record in seven seasons is 36-31-5 and eight of these defeats were to teams which finished in the Top Ten. Two opponents won National Titles. Last year five of the teams which played Pitt went to bowl games.

On the bright side of the ledger, Pitt should be strong at tackles with Gary Kaltenbach, an All-American candidate, and junior Ed Adamchik starting. The reserves are good here too.

The guard linebacking is exceptionally good, and well-stocked with depth. The passing should improve, and the backfield speed will improve. The fullback corps is devastating.

Going into fall drills, the first string backfield will have Jim Traficant at quarterback, Martha at right halfback, Clark at left halfback, and Rick Leeson at fullback. Martha who played quarterback in 1961 missed spring practice.

Leeson was the leading ground gainer last year (452), picking up the most yardage for a sophomore since Dick Cassiano in 1937. He will be more effective with the speedy Martha as a flanker back. Clark was a pleasant surprise last year, and completed seven of eight passes last season off the end-sweep play.

Traficant was hampered by an injury at the outset of last fall, and Michelosen says, "We would have been much stronger with him from the start." He

is an excellent passer, but he will be hard pressed by Mazurek, who scored five TDs for the frosh team last year, one on a 95-yard kick-off return against West Virginia. Martha can play here too. Fran Novak is another sophomore to watch.

Other quarterback candidates are Sam Colella, Glenn Lehner and Phil Pulsinelli. Lehner sees most of his action on defense.

Left halfbacks who will press for jobs are Roeder, a star in the last two spring games, Pete Billey, tabbed a "Miniature Mike Ditka," and Dennis Chillinsky, who, however, plays mostly on defense as safety man.

Right halfbacks to watch are John Ozimek, Marvin Lippincott, Bill Bodle, and Ray Conway.

The end squad is green, physically not of the "Ditka-Delfine" variety. The best of the lot are Bob Long, Al Grigaliunas, Gene Sobolewski, John Jenkins and Steve Mizerak. Best of the newcomers are Bill Howley and Ken Eskridge.

Kaltenbach, one of the best tackles in the country, and Adamchik, one of the better tackles in the East, will be hard to upheave in this position. Ernie Borghetti, fast improving, basketballer John Maczuzak and Bob Ostrosky will be strong subs. Sophomores Dennis Bernick and Ron Linaberg will make for good depth here.

The biggest losses come at guard, and the blocking here must improve to spring Leeson & Co. Tom Brown and Ray Popp are both outstanding linebackers. Ralph Conrad and John Draksler will fight for a front line berth. Jeff Ware, a converted end, and Jack Price will provide strong competition at the guard positions.

Kuzneski's desire will be hard to replace, but Charles Ahlborn saw considerable action as a sophomore. Fullback Lou Slaby will play on defense. Sophomores Paul Cercel and Martin Shottenheimer will provide depth here.

Michelosen probably will have a unit strictly for defense. This outfit already has been called the

"Head Hunters" and although it's too early to tell if this group will remain as "one," they did look impressive at times in spring drills.

Pitt's kicking game is a question mark. Cox is gone. Fullback John Telesky appears the best bet to handle the chores in the punting department. A field goal and kickoff man must be developed.

The passing attack must improve. The ends still have to prove themselves and redeem themselves for the terrible turn of events last season. If Traficant is unleashed, and regains his sophomore form, he could be lethal. Martha's presence as a flanker back will spread the defense. If guards get Leeson through, his broken-field running may materialize. Martha can catch the long bomb, too, to give the secondary a good case of ulcers.

The biggest problem is ridding the air of the cobwebs from last year's sloughy campaign. Bowl talk must be the constant chatter.

The sophomore crop is not outstanding, but a few anonymous linemen from that crop may surprise. Mazurek must show his frosh form in Pitt Stadium, and the ends must improve. Last year, the frosh were 2-2.

But that schedule: Miami of Florida, Baylor, California, West Virginia, U.C.L.A., Navy, Syracuse, Notre Dame, Army, Penn State.

The Blue and Gold will, as always, be a well-conditioned team. It must also be faster and more enthusiastic to win.

Pitt and Army will be meeting for the tenth time. The Panthers lead in the series, 5-2-2, but the last two games have ended in ties, 14-14 (1958) and 7-7 (1960). Army visits Pitt in 1963.

Army finished with a 6-4 record last year but lost two games by six points to Navy and Oklahoma and by four to West Virginia. The biggest win was over Penn State, Lambert Trophy winner.

Coach Paul Dietzel, who will be in his first season at Army, has 21 lettermen returning including end John Ellerson, team captain and an All-American candidate, halfback Ken Waldrop, fullback Ray Paske and quarterback Dick Eckert. Just 11 letter winners are gone including fullback Al Rushatz, guard Mike Casp and tackle Dale Kuhns.

Top sophomore prospects include halfback John Johnson, guard Dave LaRochelle, tackle Bill Zadel and fullback Don Parcells.

PENN STATE - November 24

Pitt Stadium — Kickoff 1:30 E.S.T.

Location: University Park
Stadium: Beaver Stadium (44,000)
Coach: Charles "Rip" Engle (Western Maryland) -- 13th season
77-34-4 record
System: Multiple-T
Nickname: Nittany Lions

Pitt will be meeting Penn State for the sixty-second time. The Panthers lead in the series, 33-25-3. However, the Nittany Lions have won three of the last four games. The 1958 and 1960 losses to Penn State cost Pitt bids to the Gator Bowl.

Penn State had the best team in the East (8-3) last year and maybe one of the best in the country as was proven when the Nittany Lions roared from a 9-0 deficit to knock off Georgia Tech, 30-15, in the Gator Bowl. Other victims included Navy, Syracuse and California. Penn State lost to Army but did not have the services of quarterback Galen Hall, an All-East selection. Miami of Florida and Maryland also defeated Penn State.

Coach Rip Engle will have 24 lettermen returning including end Dave Robinson, a star in the Gator Bowl, tackle Charles Sieminski, quarterback Don Caum, halfback Roger Kochman and fullback Dave Hayes. Ten letter winners are gone including All-American end Bob Mitinger, tackle Jim Smith, centers Jay Huffman and Bill Saul and quarterback Galen Hall.

Top sophomore prospects include center Glenn Ressler, tackle John Simko and halfback Bud Yost.

ATHLETIC DIRECTOR
FRANK CARVER

Frank Carver, 53, was named Athletic Director of the University of Pittsburgh on December 1, 1959.

The Beaver resident began his association with the University when he enrolled as a freshman in 1927. He was graduated in 1931, after having worked his last two undergraduate years in the position of student assistant in the sports publicity office.

He began as full-time sports publicity director in 1931, and devoted part of his time during the 1930's to work in the University News Service.

In December of 1941, a few days before Pearl Harbor, Carver took over as head of the physical education and the intramural program at the University, and later doubled as an instructor in physical education.

Early in 1943, when the Air Force began to send air cadets to Pitt, Carver was placed in charge of their physical education training program. That same year Carver himself entered the service as a member of the Air Transport Command.

After being discharged from the service at the end of 1945, he returned to the athletic department and also served in the office of the dean of men.

When Athletic Director James Hagan left the University in June of 1948, Carver was appointed acting director of athletics and served in that position until Captain Tom Hamilton arrived in February of 1949.

Carver was appointed graduate manager of athletics in 1949.

When Hamilton resigned in the summer of 1959, Carver again was appointed acting athletic director. Although he never wanted the job, it finally caught up with him a few months later.

HEAD COACH
JOHN P. MICHELOSEN

John Michelosen, 46, who took over the head job at Pitt after the 1954 season, came to Pitt from Ambridge High School, where he played under Moe Rubenstein, in 1934.

He moved into the varsity quarterback position in 1935 as a sophomore and retained his job for three years, operating as the blocking back and field general on offense and as a linebacker on defense.

He captained the 1937 team, and in his three years on the varsity the Panthers lost only two games, were in four scoreless ties, and defeated Washington, 21-0, in the Rose Bowl on January 1, 1937.

He was an assistant backfield coach at his alma mater in 1938, and moved to Brooklyn in the National League as backfield coach to Jock Sutherland in 1940 and 1941.

He entered the Navy in 1942, serving at Iowa Pre-Flight under Bernie Bierman that year, then going with the Atlantic Fleet from 1943 until mid-1945. With the shooting over he was assigned to Corpus Christi, where he served as football coach along with Johnny Vaught. He returned to Pittsburgh as assistant coach of the Pittsburgh Steelers in 1946. When Sutherland died in 1948, Michelosen took over as the youngest head coach in the league.

He rejoined the Pitt staff under Red Dawson in 1952.

He is married and has three children, two boys and a girl.

In the first two seasons as head coach, Michelosen guided Pitt to two bowls and one Eastern championship. His seven year record is 36-31-5. Eight of these defeats were to teams which finished in the Top Ten including two defeats in bowl games. Two teams were named number one by the Football Writers of America.

J. CLYDE BARTON

(Assistant to Athletic Director)

J. Clyde Barton, a graduate of the University of Pittsburgh, joined the athletic department in 1960 after being Alumni Secretary since 1945.

During the last year, Barton has assisted Athletic Director Frank Carver in reorganizing the Lettermen's Club. He also has worked in promoting ticket sales to Pitt athletic events.

He was graduated in 1926 and was the recipient of the George Wharton Pepper Prize. He received his Masters of Letters in 1938.

Barton is married and has one boy.

ASSISTANT COACHES

LOUIS "BIMBO" CECCONI

(Offensive Backs)

Louis "Bimbo" Cecconi came to Pitt from Donora High School in 1946 to become one of the school's greatest players.

In his four years at Pitt he played both quarterback in the winged-T and left half in the single wing, both completely to the satisfaction of his two coaches, Wes Fesler and Mike Milligan.

Weighing less than 160 pounds and standing only five-nine, Cecconi became one of the smartest quarterbacks and most dangerous runners and passers in Pitt history. From the moment that he took over the team in its opener in 1946 and passed and ran the Panthers to a halftime tie with Illinois' Rose Bowl champions in his first college game, he captured the imagination of the crowd and the respect of his teammates.

He specialized in coming up with the key play, a long punt return, an interception, a last second TD pass, the clutch run for big yardage when apparently trapped.

Despite his size he made his mark with the basketball team as well, being a letterman for four years.

Upon his graduation in 1950 he was assistant coach at Donora High School for one year, then entered service. He spent one of his two years with the Infantry in Germany, then came home to take the head coaching job at Sharpsburg.

Prior to Cecconi's arrival, Sharpsburg had won only ten games in seven years. He won six his first season, and his overall record was 27 wins against 12 losses, and 6 ties.

He was as successful in basketball, taking his team to the Class B playoffs in 1954 and 1958. He came to Pitt in the summer of 1958.

In 1956 he received his Masters Degree from Pitt; is married, and has five children, four girls and one boy.

WALTER CUMMINS

(Assistant to Athletic Director)
(Centers)

Walter Cummins played his high school ball at Greensburg and entered the University in 1942, playing on the freshman team that year.

Before he had a chance to move on to the varsity, he entered the service and served in the Army for three years before returning to the University.

He was a regular for three years, playing end under Wes Fesler in 1946, and then was an end and defensive center for Mike Milligan in 1947 and 1948.

He worked for his Masters degree in 1950-51, and then joined the staff as assistant freshman coach and assistant to the Director of Athletics in 1952.

He helps with the freshman team.

He is married and has two daughters.

CARL DePASQUA

(Defensive Backs)

Carl DePasqua was a great back for Pitt from 1946 through 1949, playing in two different systems, the T and the Single-Wing under Coaches Wes Fesler (1946) and Mike Milligan.

Coming to Pitt as an All-State selection, he was a starting quarterback as a freshman, a halfback as a sophomore, and then a fullback on two winning teams as a junior and senior, all this while weighing 175 pounds.

He served in the Army during 1950 and 1951, playing for the Brooke Army Medical Center at Fort Sam Houston, this outfit going to the Cigar Bowl in 1951.

He returned to Pitt to work off credits for his masters degree in 1952, and was freshmen backfield coach during this period as a graduate assistant.

He went to Sarnia in the Ontario Rugby Union in 1955, as backfield coach, and then entered in business in Pittsburgh, rejoining the Pitt staff in the summer of 1958.

He is married and has one daughter.

BILL KALIDEN

(Freshman Coach)

Bill Kaliden was a quarterback on the 1956-57-58 Pitt teams. He lettered twice and won one letter in baseball.

He came to Pitt from Homestead High where he was an outstanding athlete and an excellent student. He played little in 1956 but started to come into his own in 1957. However, in 1958, he had his greatest year. He scored two touchdowns against Minnesota to lead the Panthers to their first win over the Gophers. Yet, his brightest moment was against Notre Dame when he scored the winning touchdown on end sweep with just 11 seconds remaining.

As a center fielder on the baseball team in 1959, he was a big reason the Panthers were in the district NCAA playoffs.

Kaliden graduated with high honors in 1959 and was a member of Phi Beta Kappa. He attended dental school but then withdrew. He wanted to become a coach. After six months in the Army, Kaliden returned to Pitt in 1960 to begin work on his M.A. in Education. He received his M.A. this last summer. He assisted Bimbo Cecconi with the freshman team. He was named head freshman coach this past winter.

Kaliden resides with his parents in Homestead.

STEVE PETRO

(Guards)

Steve Petro came to Pitt from Johnstown High School, and played three years as a regular guard from 1936 through 1938.

A volunteer helper during spring drills in 1950, when Len Casanova took over as head coach, he was made Junior Varsity Coach that fall, and then served as assistant line coach with the varsity in 1951.

After graduation he played two years of professional football for Brooklyn, while working for Bethlehem Steel Corp. He entered the service in 1942, serving first with the Air Forces and then in Intelligence. He played football in the service.

Upon his return he went back to the steel industry and stayed out of football until the spring of 1950 when he decided to get his certification in teaching.

He was freshman coach from 1954-1957 and handled the guards in the spring drills. He moved to the varsity staff in 1958.

He is married and has four daughters and one boy.

ERNIE HEFFERLE

(Ends)

Ernie Hefferle returns to Pitt after a three year absence. During that time he coached the pro Washington Redskins and Boston College for two years. Prior to those years he had been with Pitt since 1951.

Hefferle, a native of Herminie, played his college football at Duquesne, where he caught a long pass that won the Orange Bowl game from Mississippi State in 1937.

He coached at South Huntingdon Township from 1937 through 1940, where his teams won 25, lost 10, and tied 4.

He took a three year leave of absence in 1942 to serve in the Navy, coming out as a Lieutenant. Then he coached at Tarentum from 1946 through 1950.

He has a masters degree from Pitt, and is past president of the Western Pennsylvania Football Coaches Association.

FRANK LAUTERBUR

(Tackles)

A veteran recruiter of Pennsylvania's raw resources, he coached Army line play for five years under Colonel "Red" Blaik and Dale Hall. He draws on experience developed at the professional, college and high school levels.

Hailing from Sidney, Ohio, he joined the West Point staff as defensive line coach in 1957. Prior to that, he held a similar position with the Baltimore Colts for two seasons.

In 1953 and 1954 he served as line coach at Kent State. He broke into the coaching profession via the high school ranks serving four years at Wickliffe and Collinwood in the Cleveland area. The latter captured a Divisional title and won 14 straight under his guidance.

A graduate of Mt. Union College in 1949, he also attended Oberlin College in the Marine Corps V-12 program during World War II, and earned an M. A. degree at Kent State.

Dividing his enrollment between Oberlin and Mt. Union, he was able to get in five years of football as a guard. In 1945 he played on the undefeated Camp Pendleton (Calif.) Marine team. He succeeds veteran Jack Wiley here.

Lauterbur is married and has three daughters.

A SHORT RESUME OF PITT FOOTBALL

Pitt football began when the University was known as the Western University of Pennsylvania in 1890, but the Panthers did not begin their march into the front line powers for another decade.

In 1904 the Western University of Pennsylvania eleven, had its first winning streak. Sparking this team was Joe Thompson, World War I fame.

He took over as coach after his graduation, and in 1910 turned out an undefeated, untied, and unscored on eleven.

In 1914 under Joe Duff, brother of the former U. S. Senator, the Panthers prepared for the event of Pop Warner, by losing only one game.

Not until mid-1919 did the Blue and Gold bow in intercollegiate competition. Thirty-two consecutive victories were recorded.

The 1916 Pitt team turned up with an innovation, for which millions of football fans have since given thanks. In addition to being undefeated, the Panthers, under Warner, were the first to wear numbers.

During this period the first All-American appeared. Bob Peck in 1915 and 1916, and rated as one of the great All-Time All-Americans at center, Tom Davies, at halfback and Leonard Hilty at tackle in 1918 were some of the stars of the era.

Famous then, and more famous later, players were a big Scotch guard by the name of Jock Sutherland; the 1917 captain and end, now Dr. H. C. Carlson, for 31 years head coach of basketball at his alma mater; and Tiny Thornhill, who went on to coach Stanford's Rose Bowl teams.

Perfect seasons were out after 1919, but they still were winning years. Herb Stein, a center, joined the list of All-Americans, and Harvey Harmon played a lot of tackle.

In 1924, Jock Sutherland began a 15 year regime, which started slowly but ended with the Panthers ensconced among the mighty.

Only 20 games were lost during this period, and another 11 were tied. Eastern titles came in 1925,

1927, 1929, 1931, 1932, 1934 and 1937. Four times the Panthers showed in the Rose Bowl, winning the final game in 1937 against Washington.

All-Americans during the period were Ralph Chase in 1925 at tackle, Gibby Welch at halfback in 1927, Mike Getto at tackle in 1928, Ray Montgomery at guard and Joe Donchess at end in 1929, Jess Quatse at tackle in 1931, Warren Heller at halfback in 1932, Joe Skladany at end in 1933, Doc Hartwig at guard and George Shotwell at center in 1934, Averell Daniell at tackle in 1936, Marshall Goldberg at halfback and Tony Matisi at tackle in 1937, and Goldberg and Bill Daddio at end in 1938.

On the All-American rolls since Sutherland were Ralph Fife in 1941, Bernie Barkouskie, in 1949, and Joe Schmidt, in 1952, all guards; Eldred Kraemer, a tackle in 1952, Joe Walton, a unanimous choice at end in 1956, guard John Guzik in 1958 and end Mike Ditka in 1960.

Sutherland left in 1938 and the Pitt power fell off for the next ten years. Charley Bowser was succeeded by Clark Shaughnessy who held sway during World War II. Wes Fesler brightened the picture in 1946, and was followed by Mike Milligan who turned in the first winning teams of a decade in both 1948 and 1949.

When Milligan resigned in 1950, Len Casanova came in to take over for that year, but left the following summer. In 1951 Athletic Director Tom Hamilton took over as head coach, and then in January of 1952 Lowell Dawson was named.

Dawson won six including Notre Dame, Army, Ohio, Indiana and Iowa among the victims, and lost three.

In 1954 ill health caused him to give up football coaching in mid-season, and Tom Hamilton took over as head coach and put the team on a winning basis.

After the season he stepped down to turn the team over to Johnny Michelosen.

A 7-3 record, featuring decisive upset wins over Duke at Durham and over West Virginia before a capacity crowd in Pittsburgh, brought a Sugar Bowl invitation, and a close defeat by Georgia Tech at New Orleans that didn't hurt the Panthers' national ranking.

The Panthers went to the Gator Bowl in 1956, after a 7-2-1 season, and again lost to Georgia Tech 21-14.

In 1957, Pitt was 4-6, in 1958, 5-4-1, in 1959 finished with a 6-4 record and had a 4-3-3 record in 1960.

Last season, Pitt was 3-7, the most disastrous record since 1951.

PITT HALL OF FAME AWARDEES

Thus far the University of Pittsburgh has had two players and one coach elected to the National Football Hall of Fame. Jock Sutherland, a great guard from 1914 through 1917, and Pitt's brilliantly successful coach from 1924 through 1938. He was elected in 1953 among the first coaches named.

In 1954 Bob Peck, Pitt's first All-American (center in 1915 and 1916), was elected as the first Pitt player to have his name placed on the honor roll.

Just recently, Marshall Goldberg, an All-American halfback in 1937 and an All-American fullback in 1938, was elected.

JOCK SUTHERLAND

Dr. John Bain (Jock) Sutherland was a great player and coach at Pitt.

Entering Pitt within a few years after he left his native Scotland he was a regular guard on the great Pitt teams of 1914-1917, teams that lost but one game during the entire period.

Upon graduation, with a dental degree in 1918, he went into the service, coached the Camp Greenleaf Team with the AEF, then came back to the coaching job at Lafayette.

Four years later, in 1924, he replaced Pop Warner at Pitt, and after getting the foundation laid, put the Panthers back into the first line again.

There were national titles in 1927, 1929, and 1937; eastern honors in 1925, 1927, 1929, 1931, 1932, 1934, 1936, and 1937. Rose Bowl appearances in 1928, 1930 and 1933, climaxed with a win in 1937.

All-Americans were turned out with regularity during this period.

Leaving Pitt in 1939, he coached Brooklyn in 1940 and 1941, then went into the Navy. Upon his return he took over the Pittsburgh Steelers, giving them their greatest days, until his very sudden death in the spring of 1948.

BOB PECK

Bob Peck was Pitt's initial first team All-American, being selected by Walter Camp in 1915 and 1916. In both of these years Pitt was undefeated, and in his sophomore year, 1914, the Panthers lost only one game.

He was captain of the 1916 Pitt team that is rated among the greatest of all time, both at Pitt and in the nation.

Playing under Pop Warner, Pitt's coach during his last two years, he was a terrific roving center of the old variety, and an accurate passing center who could load the speedy Pitt backs on the famous single and double wing attack which Warner was then perfecting.

After his graduation he moved to Culver Military Academy where he was athletic director and head coach until his sudden death in 1934.

MARSHALL GOLDBERG

Marshall Goldberg came to Pitt from Elkins, West Virginia, and for the three years of his varsity career was the most highly publicized and popular back in Pitt history. These three years, coincidental with Jock Sutherland's last three as Pitt's head coach, saw the Panthers win a national title, a Rose Bowl game, and two eastern championships.

In two years as the regular left halfback Goldberg was the leading scorer and leading ground gainer, and then, moving to fullback with the famous Dream Backfield of 1938, he became a terrific blocker and power back, despite his relative lack of weight (185).

He was a defensive expert during his three years and starred at this phase when he went into pro ball.

On campus he was a member of Phi Epsilon Pi, national social fraternity, and O D K, national honorary leadership society.

Upon graduation he played pro ball and was in the insurance business in Chicago, served nearly four years as a line officer in the navy, and then finished his pro career with the Chicago Cardinals when they won their first title.

He is vice president of the Emmerman Machinery Company in Chicago.

PITT ALL-TIME RECORDS

Individual figures are compiled from official statistical records of each game from 1931 through 1961. Before 1931 they are taken from play by play accounts of game. Team records begin with the 1904 season. Naturally they cannot be 100 percent accurate, but they can stand until someone comes up with a better way.

THE UNIVERSITY OF PITTSBURGH
120 PIECE VARSITY MARCHING BAND

The University of Pittsburgh 120 piece Varsity Marching Band is composed of undergraduate men of the various schools of the University. Since the University has no School of Music, none who participate in the Band are preparing to become professional musicians but some day will be doctors, lawyers, engineers, dentists, teachers, etc. No member of the Band is compensated in any way for his efforts in its behalf, or for no scholarships of any kind. They work untiringly for the friendship, companionship, and enjoyment that comes from being a part of a great band.

Under Robert L. Arthur with the assistance of Dr. Jack B. Anderson and Ben E. Benack, the band has reached its present level of excellence that has become one of the outstanding collegiate bands in the nation. In its pre-game, half-time, and post-game shows, emphasis is placed upon precision stepping, motivated formations, swinging instruments, and all the shine and sparkle that can be reached at the modern cadence of 160 steps per minute.

The matched gold instruments, blue and gold uniforms with white cross belts, white spats and gloves combined, create an appearance of beauty and uniformity.

In addition to the 120 musicians who perform on the field, there are others who attend to a host of duties. A Graduate Staff of seven attend to administrative details while an undergraduate operations and library staff of ten handle all equipment and properties, music, and the loading and unloading on trips. With this help the Band moves with a minimum of confusion.

Prior to the beginning of the fall semester, these bandsmen, directors, librarians, drum majors and operations crew move into a camp forty

miles outside of Pittsburgh, just outside Zelienople, for ten days of intensive training. They spend fourteen hours a day drilling, learning formations, practicing music, and just plain working hard. The group of men who arrived at camp as individuals return to perform for the season as an integrated, disciplined marching band. With a two hour practice Tuesday and Thursday evenings, the band is prepared to present itself in a manner which is "worth watching".

Ladies and Gentlemen: Presenting the University of Pittsburgh 120 Piece Varsity Marching Band.

THESE PANTHERS RAMBLED

Here are the top Pitt ground gainers and scorers since 1914. They traveled far in picking yards from scrimmage, passing, kick returns, and interceptions, and they put a lot of markers on the Pitt side of the scoreboard.

PITT BASKETBALL

Pitt's basketball team will play a twenty-four game schedule this winter. Thirteen games will be played at home.

The Panthers will meet Penn State, Westminster and West Virginia twice.

The schedule includes two NIT teams, Temple and Holy Cross and the possibility of a third, Duquesne. The lone NCAA opponent will be West Virginia. Westminster, ranked first in the small college polls, finished second in the tough NAIA Tournament.

The Steel Bowl includes Boston College, William and Mary and Duquesne, the winner the last two years. The Hurricane Classic has LSU, Cornell and host Miami of Florida.

Coach Bob Timmons will be starting his tenth year as head coach at his alma mater. He has a 113-108 record and has guided the Panthers to NCAA Tournaments in 1957 and 1958.

Last year, Pitt finished with a 12-11 record for the second-straight season. The biggest wins were upset victories over Temple and Fordham. The Panthers lost to West Virginia twice, Duquesne, Ohio State and Purdue.
